

PUBLIC NOTICE: STORMWATER PIPELINE REHABILITATION IN GUGULETHU

The City of Cape Town's Urban Mobility Directorate hereby advises the public of stormwater rehabilitation in Gugulethu along Mzimkulu S Dakuse Street and Maliti Street. This forms part of regular maintenance to improve drainage conditions, minimise property flooding and prolong the longevity of the city's stormwater infrastructure network.

The work is planned to take place from Monday 7 September 2026 until Tuesday 25 September 2026 between 07:30 and 17:00, Monday to Friday, weather permitting. Residents and road users can expect some noise and temporary traffic disruptions during this time.

Please note that:

- The above-mentioned dates can change due to unforeseen circumstances.
- Traffic moving in both directions will be affected
- Flag personnel will direct traffic through temporary detours around the work area
- Work areas will be demarcated to regulate traffic flow
- Vehicles parked in the road and obstructing the maintenance work, will be moved or towed

Road users are urged to:

- Be cautious while work is underway
- Lower your speed
- Pay attention to road signs
- Be vigilant in and around the roadworks area
- Look out for uneven road surfaces
- Be mindful of the construction workers
- Factor in longer travel time

Congestion is expected, so it is recommended that road users consider alternative routes.

We thank you for your cooperation and patience.
