This forms part of regular maintenance to prolong the longevity of the city's road network.

The work is planned to take place from Tuesday 22 September 2026 until Thursday 26 November 2026 between 07:30 and 18:00, Monday to Saturday. Residents and business owners can expect some noise during this time.

Please note that:

- The above-mentioned dates can change due to unforeseen circumstances.
- Traffic moving in both directions will be affected
- Flag personnel will direct traffic through temporary detours around the work area
- Work areas will be demarcated to regulate traffic flow
- Vehicles parked in the road and obstructing the maintenance work, will be moved or towed

Road users are urged to:

- Be cautious while work is underway
- Lower your speed
- Pay attention to road signs
- Be vigilant in and around the roadworks area
- Look out for uneven road surfaces
- Be mindful of the construction workers
- Factor in longer travel time

Congestion is expected, so it is recommended that road users consider alternative routes.
